

EXAMINATION COMMITTEE
Annual Calender and Result Analysis 2018-19

Internal assessment committee comprises of four faculty members. The committee works to improve the quality of internal examinations to be conducted at institute level. We prepared internal assessment schedule as per the academic calendar. The assessment schedule was published and displayed for students and faculty. All the concerned teachers are required to conduct examination and evaluate and submit within time as per assessment schedule. Evaluated answer sheets are supposed to be shown by teachers to concerned students for their information and any grievances with respect to evaluation. The head of department display the statement of internal marks on student notice board. The head of department submit statement of internal marks to the university before final examination.

The calendar for internal assessment and university result statement are attached in separate sheet
