5) To help faculties regarding their promotions.

Activities organized by the committee:

1) One day intercollegiate workshop on PBAS API Proforma was organized by FDC in collaboration with IQAC on 26/06/2018. Resource person for this workshop was Dr. Dipak Dhote, Professor and Head Dept of Electronics Shri Brijlal Biyani Science College Amravati. He delivered very informative lecture on PBAS API.

2) Heart disease check up camp was organized on 29/10/2018 with FDC in Collaboration with Shri Sant Achutt Maharaj heart hospital Mardi road Amravati for college staff and the society in the near vicinity. An awareness lecture was conducted by Dr. Ashish Yende (Heart surgeon) and his team. Three investigation test i.e. lipid profile, RBS, ECG, Blood pressure etc. were carried out on 30 persons and consultancy was provided regarding the individual states.

3) The programme of workshop on Google classroom was organized by the I.Q.A.C in collaboration with faculty Development committee of the college on 18/1/2019. This workshop was organized for providing effective and qualitative education to the students of this college. This workshop on Digital classroom was inaugurated by the Principal Dr. Rajesh Chandanpat. In his inaugural speech, he emphasized the importance of new technology in education system. The informative speech was given by Prof. Rajesh Bhoyar of Sant Gadgebaba Amravati University. He effectively focused on new world's Google classroom, its uses in daily lecture, unit tests and evaluation. He also has given information about how to use goggle classroom.

Monthly ICT data was generated through the teaching faculty. The data of lecture was collected at frequency of two lectures of each class per month for every faculty of the department. Some faculty members submitted their data by email.

The committee is supposed to collect and scrutinized the PBAS API proformae as required for CAS promotion at the starting of upcoming session, probably in middle of June 2019.

Difficulties / Lacuna faced by Committee:

1) Engagement of the faculties in the programmes.
2) Technological advances have reduced interest of faculties.
3) Infrastructural problems

Suggestions by committee:

1) Create learning opportunities that are accessible anytime anywhere.
2) Resources should be made available to faculty development committee according to the need.
