ADMISSIONS OPEN FOR
2025-26

POST GRADUATE PROGRAMS

Postgraduate programs deepen expertise, foster innovation, and equip students with advanced knowledge to excel in their fields. Through cutting-edge curricula, research-driven learning, students gain the skills to tackle real-world challenges. Guided by expert faculty and supported by the research facilities, our programs help preparing graduates to become leaders, innovators, and change-makers.

Post Graduate Courses in The Faculty of Arts & Humanities

M.A. Political Science

M.A. Economics

Post Graduate Courses in Science Faculty

M.Sc. Organic Chemistry

M.Sc. Industrial Chemistry

M.Sc. Environmental Science

M.Sc. Computer Science

M.Sc. Mathematics

Shaping the Future"*

DOCTORAL PROGRAMMES

Doctoral programs that cultivate high-level research, critical analysis, and innovation, equipping scholars to generate original insights and tackle global issues. Under the mentorship of distinguished faculty and with access to cutting-edge resources, candidates pursue intensive study, collaborative initiatives, and meaningful research—preparing them to lead as influential thinkers and innovators in both academia and industry.

Doctoral Programs

We offer Doctor of Philosophy (PhD) programs in several disciplines, including - Economics, Political Science, History, Marathi, English, Chemistry, Mathematics, Botany, Physics, Computer Science, Environmental Science.

**ADMISSIONS
OPEN FOR 2025-26**

M.Sc. Computer Science

Where Computer Science Meets Career Success

Carrier Prospectus

- Software Developer
- Web Development
- Mobile App Development
- Ph.D. in Computer Science
- Assistant Professor
- Research Associate
- Freelancing
- Entrepreneurship
- Government Jobs
- Government jobs
- System Administration
- Networking

Eligibility

A Bachelor's degree in a relevant field. Specifically, a B.Sc. with Computer Science/Application as one of the subjects

FOR INQUIRY

Prof. Narendra Jathe
94229 14960

"SCIENCE FOR A SUSTAINABLE TOMORROW"

M.Sc.

Environmental Science

Where Science Meets Sustainability

ADMISSIONS
OPEN FOR 2025-26

CARRIER
PROSPECTUS

Research Assistant/Scientist
Lecturer/Assistant Professor
Environmental Officer
Forest/Wildlife Officer
Environmental Analyst/Planner
Environmental Consultant
Environment, Health & Safety
Officer

ELIGIBILITY

ANY SCIENCE GRADUATE WITH MINIMUM 50%
AGGREGATE SCORE IN GRADUATION FROM UGC
APPROVED UNIVERSITY OR EQUIVALENT.

FOR ADMISSION

Dr. Vaishali Meshram - 98813 87471

Dr. S.R. Varhekar - 9423203070

The Central Science – Connecting Everything Around You

M.Sc. Organic/Industrial Chemistry

Exploring Matter, Empowering Minds

**Admissions
Open For
2025–26**

Carrier Prospectus

- Research Scientist
- Analytical Chemist
- Quality Control/Quality Assurance Analyst
- Formulation Chemist
- Product Development Chemist
- Pharma manufacturing
- Food & beverages
- Cosmetic industries
- Petrochemical refineries
- Agrochemical plants
- Specialty chemical companies
- Analytical Chemist
- Process Chemist
- Research Associate
- Lab Analyst
- Scientific Data Reviewer

Eligibility

To be eligible for an M.Sc. Chemistry program at Sant Gadge Baba Amravati University (SGBAU), candidates typically need a B.Sc. degree with Chemistry or a related field like Industrial Chemistry or Analytical Chemistry as a major subject, with a minimum of 50% marks

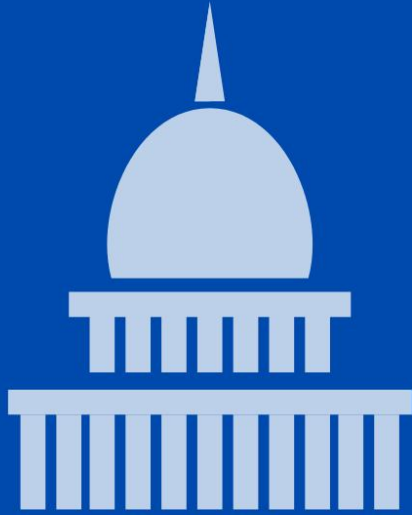

**For
Inquiry**

Dr. Umesh Khandekar

94223 85421

Dr. Shrikant Bansod

94038 40633

M.A. POLITICAL SCIENCE

Shaping Leaders, Building Democracies ::::::::::

Carrier Prospectus

- Assistant Professor
- Teacher
- Research Associate
- Policy Analyst
- Economic Policy Advisor

**Admissions
Open For
2025-26**

For Inquiry - Dr. Dinesh Nikalje - 98236 07032

M.Sc. MATHEMATICS

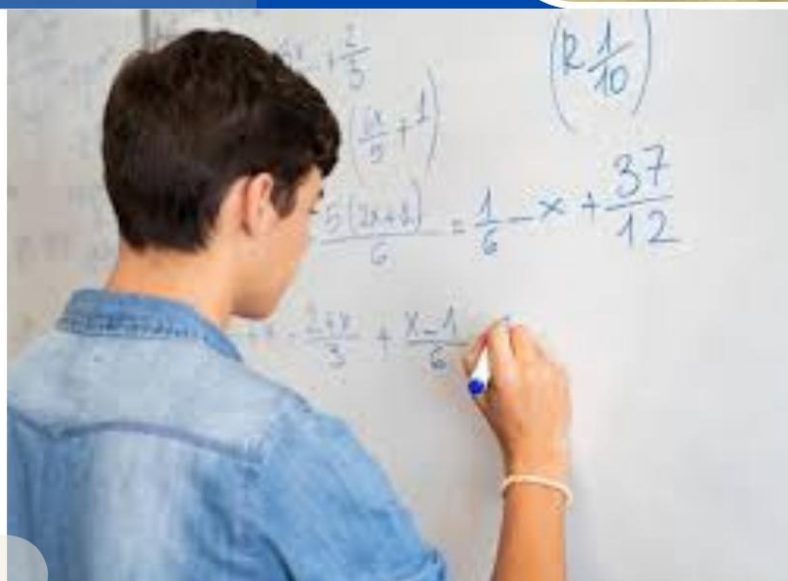

Where Logic Meets Limitless Possibilities

Carrier Prospectus

- Assistant Professor
- Teacher
- Data Science & Analytics
- Machine Learning/AI
- Quant Analyst
- Optimization Analyst
- Supply Chain Analyst
- Entrepreneurship & Freelancing
- Research

Admissions Open
For 2025-26

Eligibility

A candidate needs a Bachelor's degree specifically, a B.Sc. with Mathematics with a minimum of 50% marks.

For Inquiry - Dr. Vidya Sharma - 94208 3537

M.A. ECONOMICS

Economics: The Power to Change Tomorrow

Carrier Prospectus

- Assistant Professor
- Teacher
- Research Associate
- Policy Analyst
- Economist
- Investment firms
- Insurance companies
- Ph.D. in Economics
- UGC-NET for Assistant Professorship
- Quantitative Analyst
- Data Analyst

Eligibility
