Aranyam Conservation Society, Amravati is the newly founded NGO with young and dynamic members working in wildlife and forest related issues in Amravati District. Whereas, the Dept. of Environmental Sc. of A.C.Sc. College is the one of the pioneer institute in Amravati District.

As the district has significant forested area with diversified wild life there is great prospect to understand the Environmental and Wildlife issues. To work out the proper solutions and to propagate the conservatory actions, the above said organizations will stand hand to hand.
