Respected Sir,

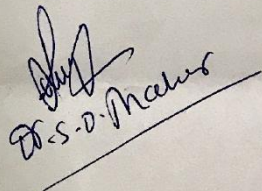

As a part of our institutional initiative for improving quality, every academic year we seek students' feedback on curriculum design and Review of Syllabus. In the academic year 2018-19 the feedback was sought between 05/04/2019 & 09/04/2019. The analysis of the feedback reveal that the students' response to the question numbers 2 & 10 suggest the following:

1. There's a scope to include internships, training & research modules into the curriculum for UG and PG courses
2. There's a scope for integrating real life applications into the practical-experiments prescribed for UG and PG science courses

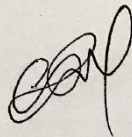

We therefore put forward these recommendations to be considered by you for further action.

Thanking You!

After the discussion it was decided to take initiative for popularizing the use of Google classroom in the College. It was also decided to organize the training program on the topic of Google Classroom for the staff members.
